Neighborhood Revitalization  
In 2021 & 2022

**Habitat**  
for Humanity®  
of Sonoma County

Due to popular demand Habitat of Sonoma County is expanding the Neighborhood Revitalization program to include the Rock the Block program. This year over a hundred volunteers will lift up a neighborhood in Rohnert Park by completing hands-on beautification projects, exterior home repairs, and home maintenance work at this two-day event. Please join Habitat's 1st Annual Rock the Block on Friday, June 9 & Saturday, June 10.
